# Horizons

India Mobile Congress (IMC) is the largest telecom, media, and technology forum in Asia, jointly organized by the Department of Telecommunications (DoT) and the Cellular Operators Association of India (COAI). Since its inception, IMC has established itself as a leading forum for bringing together industry, government, academia, and other ecosystem players to discuss, deliberate, demonstrate and display the latest trends in the realm of TMT and ICT. Not only is the India Mobile Congress the biggest technology event in Asia, but it is also the biggest networking event in India in the technology space. Through an immersive showcase of revolutionary innovations, our mission is to catapult India into the limelight, becoming a beacon of the all-encompassing digital transformation shaping the future.
